

MMS 2

2-Source Digital Audio Player

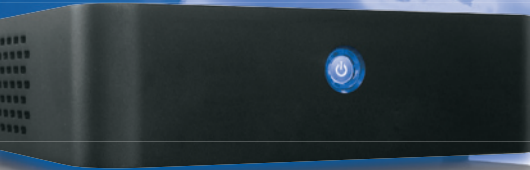

MIRAGE Media Server

Access your media in faraway places with plug-and-play ease. The MMS-2 streams local and web-based content in lean form, perfect for the yacht, vacation home or any other means of escape. Use the cloud to automatically sync entire music collections with the home MMS. **Give your music wings.**

Converge with a higher standard.

MMS 2 MIRAGE Media Server 2-Source Digital Audio Player

Hi-Fi Sound, Multiple Zones

Audiophile-quality, digital stereo output for primary zone, plus one independent, analog stereo output for distributed audio systems.

Cloud Synchronization

Automatically back up content to a private Internet data locker for multi-location synchronization and remote access to your media from computers and mobile devices.

Online Streaming Services

Stream Pandora and Last.fm, SiriusXM favorites, local broadcasts on TuneIn, and loads of music on Rhapsody and Spotify.

AirPlay: BYOM

Guest devices on wi-fi can stream music through the MMS with AirPlay. Natively play shared iTunes libraries, and ditch the dock.

Content Scheduling

Pre-program and disseminate 24-hour scheduled content worldwide with a single command. Create and schedule multiple playlists for multiple locations.

Remote Management

Keep your trucks parked. Remotely monitor hardware health, perform firmware updates and configure options.

Designed for Integrators

Pre-built modules for several major control systems are included, along with designer GUI templates, making integration easy, profitable and more enjoyable.

MMS-2 Features

- Distribute high-quality audio to every zone from popular cloud-based streaming services
- AirPlay enables wi-fi streaming of any content available on a guest's iPhone, iPad, Mac or PC
- 500 GB internal storage holds 100,000+ songs
- On-screen navigation (OSN) to browse and control music, display metadata and photo slideshows
- Web-based configuration and automatic sync of music libraries and servers in multiple places
- Two-way control modules for custom integration included
- Supports all popular audio formats, including lossless FLAC, uncompressed Windows Media, DRM iTunes, MP3 and WAV
- Remote access to content from web-enabled devices and computers
- IP control protocol and internal web server for easy integration

MMS-2 Specifications

Audio	Processor	Realtek ALC662 5.1 Channel HD
	Digital-to-Analog Conversion	24bit / 96kHz
	Supported Audio Formats	.aif, .aifc, .aiff, .au, .cda, .flac, .m4a, .m4p, .mid, .midi, .mp2, .mp3, .mpa, .rmi, .snd, .wav, .wma, .wpl
	Streaming Services	Last.fm, Rhapsody, PANDORA® internet radio, SiriusXM Internet Radio, Spotify, TuneIn; add-on URLs for radio stations; guest computer/device streaming via AirPlay
	Master Volume	-80dB to +20dB
	Frequency Response	<10Hz to 48kHz
	S/N Ratio	95db, A weighted
	Dynamic Range	>110dB
	Channel Separation	>90dB
Connectors	Pre-Amp Audio Output	1x analog, unbalanced, stereo, line-level audio output; maximum output level: 2.0 Vrms
	Digital Audio Output	1x digital stereo output (TOSLINK)
	Video Outputs	HDMI (1366x768 only; check display specifications for compatibility); VGA (720p only), 15-pin D-Sub connector; component video or DVI with adapter (not included)
	LAN	(1) 8-wire RJ45 with 2 LED indicators; 10/100/1000 Mb/sec BaseT Ethernet port; green LED indicates link status; yellow LED indicates Ethernet activity
	Power supply 110V-240V	(1) External power supply DC 19 V @ 3.4 A; mates with removable SATA power cord (included)
Synchronization	Local Sync to MMS	Mirage Media Sync for Mac and Windows PC
	Remote Sync	Mirage Cloud Sync (fees for online storage may apply)
Control System Interfaces / Modules	Interfaces	AMX, Control4, Crestron, RTI, Savant, URC, Windows PC/Mac, on-screen navigation (OSN), Adobe Flash-enabled mobile devices and computers, Apple iPad, iPhone and iPod Touch
	Protocols	IP, 2-way documented API
Controls + Indicators	Power	Power on/off
Environmental	Humidity	10% to 90% RH (non-condensing)
	Temperature	32° to 104°F (0° to 40°C)
Power Requirements	Main Power Consumption	60 Watts @ 120 Volts AC, 50-60Hz
Storage	Internal Storage	500 GB Magnetic
Chassis	Height x Width x Depth	2.2" x 7.8" x 8.8" (5.6cm x 19.8cm x 22.4cm); 2RU rack-mount chassis
	Net Weight	3 lb 3 oz (1.4kg)
	Mounting	4x adhesive rubber feet included; custom rack shelf available from Middle Atlantic
